

Hello All!

MayFest 2018 is going to be another great year, and definitely should not be missed! We will be turning 43 this year, and all of historic downtown Leesville will be one big celebration! May 4th and 5th promises to bring talented arts and crafts vendors, big name live entertainment, musicians, artists and visitors together on one street- 3rd Street, in the heart of Historic Downtown Leesville.

As with any festival that has endured for more than four decades, traditional activities such as the Lions Club breakfast, dozens of incredible food vendors, combined with the latest in sound and lights on the 1910 Historic Courthouse, and a variety of popular regional, state, and nationally-known music artists will make **MAYFEST 2018** the place for vendors to be!

The **Artisans' Village** will be located north of the Food Court. This is where all of our arts and crafts vendors will be able to display their creativity among their peers. Because the **Artisans' Village** will be north of the Food Court, it will be a little further away from the hustle and bustle of the main stage and therefore a little more tranquil for all of you creative types! ...and north of the **Artisans' Village** will be the Mayor's own **Classic Car Show**.

Our **Main Street Marketplace** will be to the south of the Main Stage and extend to the Farmer's Market. **Main Street Marketplace** will be home to all of our retail merchandise vendors and information booths.

The staff here at Vernon Parish Tourism and **MayFest 2018** appreciates our vendors and is excited about the changes we have made at your request! You are the heartbeat of our Festival and we want to do everything in our power to make your experience with **MayFest 2018** a fun, happy, and profitable one.

Sincerely,

Jack Maile
